

Pyramid Foods Donation Application

Pyramid Foods Giving Program is dedicated to helping non-profit organizations in our stores' local communities with limited budgets and big hearts. Our giving program supports organizations that address community issues such as: hunger relief, education and health and human services. Our focus is to support innovative groups that strive to make the world a better place.

Pyramid Foods Giving Program does not provide additional support, monetary or otherwise, to organizations currently receiving funds from the Price Cutter Charity Championship, American Cancer Society or other Pyramid Foods sponsored events or organizations.

Groups are invited to apply for support in the form of gift cards, party platters/catering trays, or product donations (such as fruit, water, sodas, snack foods, etc.) for large or small community events or charity auctions.

The average total donation for this program ranges between \$25 and \$250. **Organizations must apply at least 21 days in advance** of when they require the donation. Once selected, organizations will be notified as to how they can pick up their donation at the store.

All organizations who meet our giving guidelines are eligible for this type of donation. However, organizations may only apply for and receive a donation once every six months.

To apply for a donation, please complete the application in full. Incomplete applications will not be considered for a donation. Attach your organization's 501(c)3 form or appropriate tax designation letter.

Please note: A completed application does not guarantee a donation from Pyramid Foods. We like to help as many organizations in our community as possible, so a previous donation does not ensure continued support.
